No.HPL.154/87/543.—Whereas for public convenience and better administration the Governor of Meghalaya consider it necessary to create a new Police Station at Saipung in the Jaintia Hills District to be known as the Saipung Police Station.

And, whereas, it is necessary to describe the boundaries and jurisdiction of the new Police Station as indicated here-under.

Now, therefore, the Governor of Meghalaya is pleased to order creation of the aforesaid new Police Station at Saipung and to describe the boundaries and jurisdiction of the New Police Station as indicated hereunder with effect from the date of publication of this Notification in the Official Gazette of Meghalaya. On creation of the Saipung Police Station the areas coming under its jurisdiction shall cease to be under the Khliehriat Police Station.

JURISDICTION OF SAIPUNG POLICE STATION

North :- The Northern boundary starts from the point East of “PALA” village. From this point the boundary follows the course of the “KOPILI” river along the Assam Meghalaya border till it reaches the point East of “SANGBAR” village where the river “KOPILI” turns Eastward direction.

East:- From this point the boundary still follows the course of the river “KOPILI” and from the end of the “KOPILI” river, it stretched towards South Westerly direction till it touches the “WAH LUKHA” from where it turns towards the Western direction.

South:- From the point mentioned above, it continues to go in the Western direction along the course of river “LUKHA” till it reaches the point where the river “LUKHA” goes in the North Western direction and suddenly turns towards South Westerly direction.

West:- From the above mentioned point the boundary runs straight in the North Western direction and reaches the point East of “SIALKAN” village. The boundary continues to run straight in the same direction till it reaches a point at “WAH LUNAR” from where it started to run in the North Easterly direction and reaches the point East of “MOLASNGI” and West of “NONGKHLIEH” village. It then goes in the same direction and reaches the point where the Northern Boundary has started.
