GOVERNMENT OF MEGHALAYA

NOTIFICATIONS

The 5th December, 2025.

No.CM.42/2025/18. - The Governor of Meghalaya is pleased to notify the Chief Minister's Elite Fellowship Scheme for Sports & Creative Economy in line with the Meghalaya Youth Policy 2021.

VIJAY KUMAR D,

Commissioner & Secretary to the Government of Meghalaya,
Chief Minister's Secretariat.

1. Introduction

- i. The vision of the **Meghalaya Youth Policy 2021** is, "to create pathways for Meghalaya's youth to achieve their fullest potential and for becoming engaged, skilled, creative, responsible and empowered citizens of the local and global community." In line with the aspirations laid out in the Meghalaya Youth Policy; the **Chief Minister's Elite Fellowship Scheme for Sports and Creative Economy** is envisioned to empower the brightest youth of Meghalaya by supporting their pursuit of excellence in premier academic, technical, cultural ventures, activities related to sports, environmental conservation, entrepreneurship etc. in India and abroad. Additionally, it supports the broader development agenda of the Hon'ble Chief Minister of Meghalaya to cultivate a youth-driven, knowledge-based, and globally competitive state.
- ii. This visionary scheme shall identify and invest in youth with proven potential to reach national and global excellence. Through the fellowship, Government of Meghalaya shall provide a substantial one-time financial grant to a select number of high-achieving youth who have demonstrated outstanding merit, innovation, commitment, and impact.
- iii. The support shall extend beyond financial aid. It shall also symbolically affirm the State's belief in the youth as drivers of positive change and societal transformation. It is a strategic investment in human capital who shall not only bring pride to the State through their performances but also inspire future generations to contribute to the broader ecosystem of the state as role-models, mentors, and change makers.

2. Rationale

- i. The Government of Meghalaya has consistently demonstrated its commitment to youth development through a variety of innovative schemes and programmes. Initiatives such as CM-Elevate, Sports Scholarship Scheme, Cash Awards Scheme, Meghalaya Grassroots Music Project, among others, have provided significant support to young achievers and creative individuals. These interventions have nurtured emerging talent, promoted sports and cultural activities, and given visibility to Meghalaya's dynamic youth ecosystem.
- ii. However, despite these efforts, there remains a pressing need to provide targeted, high-value, and flexible support to exceptional youth who have already demonstrated success and are poised to scale their impact. With restricted private sector investment and limited philanthropic funding in the State, the Government's proactive role becomes crucial to bridge the gap between potential and opportunity. Supporting such high-impact individuals and ventures ensures that Meghalaya continues to produce leaders and innovators who can compete nationally and internationally, while inspiring other young people in the State to aspire higher.
- iii. The **Chief Minister's Elite Fellowship Scheme for Sports and Creative Economy** has therefore been conceptualised as a next-generation, high-impact intervention. Unlike routine scholarships or grants, this Fellowship is designed to function as a transformational support platform for individuals and projects that demonstrate exceptional promise and which have the potential to inspire.
- iv. Key aspects of the Fellowship include:
 - a. **Recognition of Excellence and Aspiration:** The Fellowship identifies youth who have already achieved success in their respective domains and demonstrates the State's commitment to their continued growth.
 - b. **Substantial Financial Support for Novel Ideas:** This Fellowship shall enable selected fellows to scale their ventures, pursue cutting-edge opportunities, and create both tangible and intangible impact in their sectors.
 - c. **Direct Engagement with Leadership:** Selected fellows shall have the opportunity to interact with leaders and dignitaries such as the Hon'ble Chief Minister of Meghalaya and gain their insights, mentorship, and advice to strengthen and upscale their initiatives.
 - d. **Branding and Media Outreach Support:** Government-led branding and communication efforts shall amplify the visibility of fellows and their projects, enabling them to attract further partnerships and recognition at the national and international levels.
 - e. **Catalyst for Broader Impact:** By showcasing success stories of fellows, the scheme shall act as an inspiration for thousands of other young people across Meghalaya to innovate, excel, and pursue ambitious goals.
- v. This Fellowship is thus not only a grant but also a platform to nurture change makers—youth who combine excellence with a commitment to creating social, economic, cultural, or environmental value. It is a strategic investment in human capital, aligned with the vision of the Meghalaya Youth Policy 2021 and the Hon'ble Chief Minister's broader development agenda to build a youth-driven, knowledge-based, and globally competitive State.

- vi. By focusing on individuals with proven track records and novel ideas, the Fellowship ensures that public funds are deployed for maximum impact; helping to catalyse the next generation of leaders, creators, and entrepreneurs who shall shape Meghalaya's future.

Further, the Meghalaya Youth Policy recognizes Cultural and Creative Industries (CCI) as a sector with high potential for employment, social cohesion, and economic development.
